

METAL FREE LEATHER SAFETY BOOT S3 SRC - X1100N

REF: 130107000X1100NSJ

Description:

Mid-cut safety boot with a breathable leather upper, reinforced protective composite toecap and anti-puncture textile midsole. It's completely metal-free and features an energy absorption heel. Oil and fuel resistant with anti-piercing, slip-resistant, anti-static and waterproof properties.

Features:

- Breathable leather upper provides a high degree of wearer comfort combined with durability
- Suitable for work in an environment with high humidity and presence of oil or hydrocarbons
- Robust composite toecap to protect the feet of the wearer against falling or rolling objects.
- Puncture resistant textile midsole to prevent sharp objects from penetrating the outsole
- Heel energy absorption reduces the impact of jumps or running on the body of the wearer
- Water resistant Upper (WRU) prevents penetration of water if not permanently exposed to high levels
- The outsole is resistant against oil and fuel
- Completely metal free
- Slip-resistant, anti-static and waterproof properties

Composition:

Upper: Nappa Action Leather
Lining: Cambrella
Footbed: SJ Foam
Midsole: Anti-puncture Textile
Outsole: PU/PU
