

HALF FACE MASK FFP1 NR EN149 4XTLV - 1710

REF: 211100000001710CX

Description:

Climax filtering half masks have been designed to effectively retain dust particles in suspension, mist and smoke. They are very light, comfortable and offer a very low resistance to breathing. According to their efficacy, they are classified in three levels of protection: FFP1, FFP2 and FFP3 (FFP-Filtering face piece). Not reusable.

Features:

- Soft inner material: The material inside provides great comfort throughout the day.
- Adjustable nose clip: Easy to adjust to provide greater protection for the entire day.
- Setting synthetic bands: Does not contain materials made of natural rubber (latex). No staples, single ring
- Filtering material composition: 100% woven unwoven
- Maximum level of use: 4 x TLV
- Protection: Liquid aerosols and solids (eg. Mist of oil) non-toxic, low-toxicity

Composition: Filtering material: 100% woven unwoven

Use: One work shift (8-10 hours)

Color: ☐ White
