

# FFP1 VALVED RESPIRATOR P101

REF: 30110000000P101PW

## Description:

Ideal for applications involving dust, mists and fibres, the P101 should be used to protect the wearer from solid, oil and water based aerosols. The exhalation valve expels heat and humidity from within the mask and reduces breathing resistance.

## Features:

- Ultrasonic welded head straps
- Foam padding around the nose bridge for additional comfort
- High performance exhalation valve to reduce heat and provide comfort when used in hot and humid conditions
- Adjustable nose bar for improved fit and reduced fogging of glasses
- Comfortable cup style respirator
- Retail box which aids presentation for retail sales
- CE certified

**Composition:** PU Foam

**Color:**  White
