

FFP2 CARBON VALVED DOLOMITE RESPIRATOR - P223

REF: 30110000000P223PW

Description:

Disposable mask with comfortable cup shape. Exhalation valve for lighter breathing resistance. Adjustable nose clip for optimised fit. DOLOMITE optional clogging test. Added carbon layer to absorb nuisance odours.

Features:

- Dolomite optional clogging test (D) to provide more comfortable breathing and longer lasting filtration performance
- Comfortable cup style respirator
- High performance exhalation valve to reduce heat and provide comfort when used in hot and humid conditions
- Adjustable nose bar for improved fit and reduced fogging of glasses
- Ultrasound welded elastic strap
- Foam padding around the nose bridge for additional comfort
- Activated carbon layer for improved absorption of nuisance odours, organic vapours and welding fumes
- CE certified

Composition: Activated Carbon, PU Foam

Color: White
