CLASS 3

Description:

The Modaflame Multi Norm Arc Softshell Jacket is constructed from a highly protective 3 layer softshell fabric. Using modacrylic and carbon fibre elements, this softshell provides flame, chemical, anti-static and high visibility protection. An interactive zipper allows this softshell to be zipped into an outer jacket for additional insulation if required.

Features:

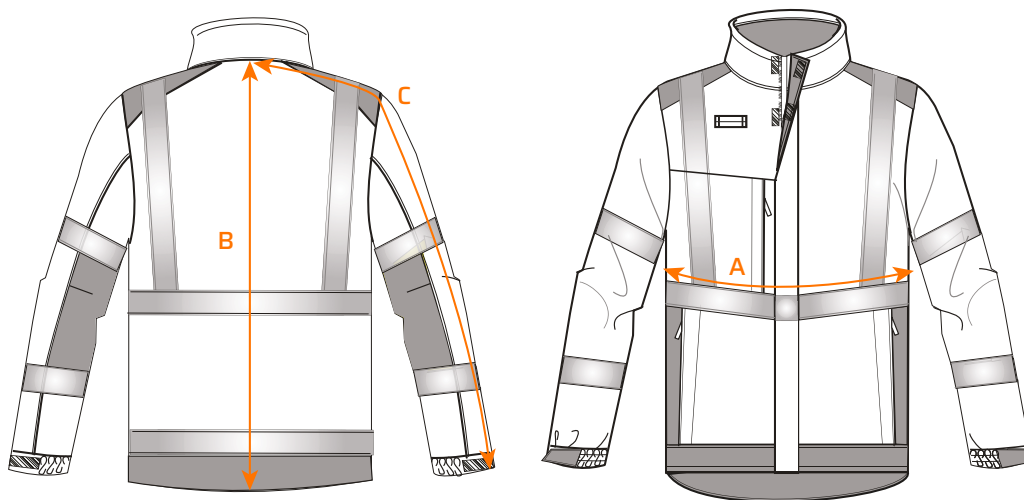

- CE-CAT III
- Drawcord adjustable hem
- Storm flap front to protect against the elements
- Hook and loop cuffs for a secure fit
- Chin guard for added comfort and stability
- Contrast colouring for added style
- Anti-static and flame resistant properties
- Interactive zip for added functionality
- 3 pockets for ample storage
- Radio loop for easy clipping of a radio
- Premium sew on flame resistant reflective tape
- Inherent flame resistant qualities will not diminish with washing
- Protects against radiant and convective heat
- Made of durable breathable, windproof and water resistant fabric
