

AIRTECH BUMP CAP MICRO PEAK - PS69

REF: 30114000000PS69PW

Description:

Innovative design bump cap with maximised ventilation thanks to the side mesh and ventilation slots in the plastic shell. Modern textile design with reflective piping for enhanced visibility. Micro peak makes the bump cap suitable for indoor use or applications in confined spaces. Size adjustment buckle.

Features:

- Micro peak (2.5cm) for better visibility and for use in confined spaces
- Cooling mesh fabric for increased breathability
- Inner ABS shell and soft pad for shock absorption
- Reflective piping for increased visibility
- Buckle size adjustment for easy fitting
- CE certified

Composition: ABS / EVA

Size: One size

Available colors: ■ Navy Blue ■ Black
