

3M REUSABLE HALF FACE MASK 6200

REF: 5411070001468473M

Description:

The 3M Series 6200 Reusable Half Face Mask is made from a lightweight yet comfortable elastomeric material with a dual bayonet-shaped filter design, head support attachment and an easy-to-adjust neck strap. Our mid-size reusable half mask is unobtrusive and well-balanced.

Features:

- It's economical, low maintenance and easy to handle
- Reusable half mask designed with simplicity in mind
- Headrest attachment and easy-to-adjust neck strap
- Lightweight elastomeric material for long-lasting work comfort
- Discreet design minimizes interference with field of view
- Dual filter design for even weight distribution and minimal field-of-view obstruction
