

3M MAINTENANCE FREE HALF MASK, FFA1P2 R D FILTERS - 4251+

REF: 5411071001130983M

Description:

The 3M Maintenance Free Half Mask 4251+ is a simple and ready-to-use respirator with an integrated cartridge and filters. A newly enhanced valve assembly helps to reduce exhalation breathing resistance, and the close-fitting, non-silicone, textured face seal is soft and non-allergenic. Includes a resealable bag for hygienic storage and transportation.

Features:

- Effective and comfortable protection against organic vapors and hazardous particles
- A newly improved valve helps reduce resistance to exhalation breaths for greater breathing comfort
- Lightweight, well-balanced design
- Built-in cartridge and filters mean it's ready to use, maintenance-free
- Soft, tight-fitting face seal with textured, non-allergenic material
- Center-positioned exhalation valve helps reduce heat and moisture build-up in hot, humid conditions
- Adjustable headrest and easy-to-adjust neck straps

Color: ■ Blue
