

3M SECURE CLICK HALF MASK REUSABLE RESPIRATOR MEDIUM - HF-802

REF: 5411071001720033M

Description:

Designed with intelligent and intuitive features, the 3M Secure Click Reusable Half Mask is simple, comfortable and reliable.

Features:

- Greater breathability and comfort provided by the world's first quad-flow cartridge system
- Push-button seal check helps to increase confidence that the respirator is properly sealed to the face
- The voice diaphragm is designed to facilitate communication while working.
- Secure Click connection guarantees that filters and cartridges are well installed
- The low profile half-mask design offers a wider field of view and compatibility with certain visors for welding and grinding
- Overmolded design for easy assembly/disassembly
- Advanced silicone material for comfort and durability
